

who is Chase Hughes?

Chase Hughes is a former U.S. Navy Chief and renowned expert in behavioral science, body language analysis, and human intelligence operations. He graduated from Missouri Military Academy in 1999 and served 20 years in the Navy, developing advanced tools like the Behavioral Table of Elements and the Six-Minute X-Ray rapid profiling system.^{[1] [2] [3] [4]}

Military Career

Hughes specialized in behavioral profiling, interrogation, and intelligence during his Navy service, creating curriculums adopted by law enforcement and agencies worldwide. He holds degrees from institutions like the U.S. Naval War College and Thomas Edison State University, plus certification as a Master of Clinical Hypnotherapy.^{[2] [3] [1]}

Key Innovations

He founded Ellipsis Behavior Laboratories and developed models such as the FATE Model, PEACE 4A de-escalation, and Neuro-Cognitive Intelligence (NCI) system, used globally in training. His Behavioral Table of Elements maps human behavior for influence and profiling applications.^{[3] [4]}

Publications and Recognition

Hughes authored bestsellers including *The Ellipsis Manual*, *Six-Minute X-Ray*, and *The Behavior Operations Manual*. In 2020, he was named among America's top 40-under-40 CEOs and top 20 CEOs by CEO Weekly. He now trains elite groups, speaks on persuasion, and resides in Virginia Beach.^{[4] [5] [6] [2] [3]}
